SOCIETY NEWS

Happy Friday Folks! We hope your last few weeks of spring are bringing you excitement for the summer months ahead!!

Camp Kids First is looking very promising as Alberta starts to open up! We are COMPLETELY FULL for all 6 weeks with a growing waitlist by the day! We are gearing up to make this the best summer ever!

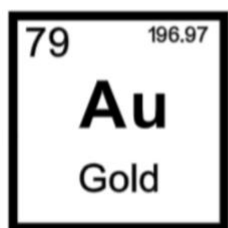

Social Respite is still just as busy as ever and we are excited that it will go ahead all summer even during camp!! Those kiddos who aren't in camp can take part in fun activities also!!

We are still totalling numbers for our April events – a report and thank you to our donors will come in the following days! We exceeded our goals even though it was super tricky to host events this year. We made the best out of the times, and we are hoping to come back bigger and better next year!!

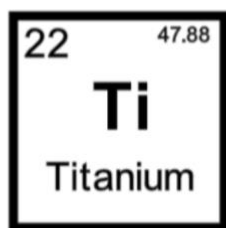

Please see attached our recent fundraisers as well as volunteer and **EMPLOYMENT** opportunities!!

Have a great weekend!

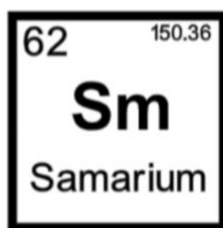

- Jenna Locke

Vision

A region where Autistic individuals and all those living with a disability, are valued and are participating members of the community. A region that recognizes that all citizens have the right to live, work, and play.

Mission

We are committed to creating an inclusive community through programming, supports, and understanding for Autistic individuals in our region, and all those living with a disability and their families across the lifespan.

Values

- Support an inclusive community by respecting all people, valuing diversity and a commitment to equality.
- Promoting education and acceptance around Autism to create understanding and inclusive community.
- Empowering Autistic individuals and those with disabilities to achieve their goals.
- Inspiring optimism in the community.
- Provide an emotionally safe and supportive environment.
