Values:

- Support an inclusive community by respecting people, valuing diversity, and a commitment to equality
- Raising awareness and understanding to create acceptance in the community
- Empowering individuals to achieve their goals
- Inspiring optimism in the community
- Provide an emotionally safe and supportive setting.

Vision:

We envision a center in RMWB that will be recognized as the primary provider of support and services in our community and surrounding areas. Every person will have access to a center that provides the ability to bridge the gap between families, professionals, education support, and assessments. Our goal is to guide families and individuals to the supports needed at each stage of their life.

Mission Statement:

We strive to accommodate a support network that fosters an inclusive community by providing information, supports, awareness, and programs to all those in our community affected by ASD and other barriers.
