

# AUTISM SOCIETY

OF THE REGIONAL MUNICIPALITY OF WOOD BUFFALO

## SOCIETY NEWS

The weather is warming up and preparation for summer camp is well underway. This year there will be 6 weeks of summer camp ranging in ages from 4 to 16!

Summer camp is always a great time for children with all differing needs. Activities such as boat rides, animal visits, helicopter tours, beach days, community helper tours, and lots of other activities are just a few things we do in this weeklong camp!

All children are supported by qualified staff who love to have just as much fun as the kids! It's a great time for everyone!

April events were very successful again this year. Our April auction brought in just over \$2,700. Other events such as a free pancake breakfast for our members happened, lots of social media shoutouts, and a discount to our sensory store for the full month of April. The auction had about 34 donors with a total value of just over \$6,000. We are so very thankful for all the support of community members and donors as far as Newfoundland!!

Please see below lots of upcoming fundraisers and events that will be happening during the summer!

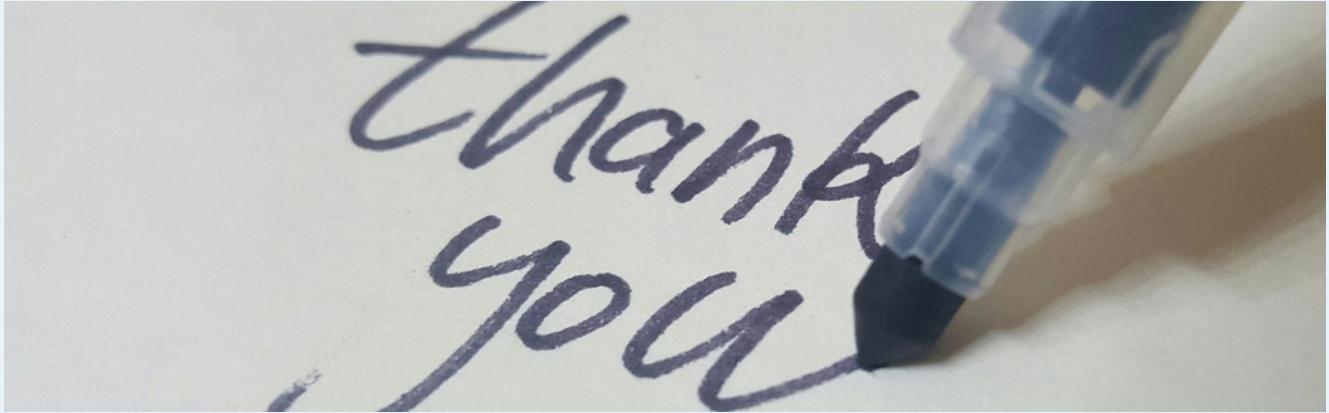

### VISION

A region where Autistic individuals and all those living with a disability, are valued and are participating members of the community. A region that recognizes that all citizens have the right to live, work, and play

### MISSION

We are committed to creating an inclusive community through programming, supports, and understanding for Autistic individuals in our region, and all those living with a disability and their families across the lifespan.

# APRIL DONORS

We would like to take the opportunity to thank our donors for the April Auction. Without your support, we would not be able to serve families within the community with things like programming, support and navigation, events, etc.
