MEMBERSHIPS

Join the growing number of families, professionals and community members that make up the Autism Society of the RMWB.

Together we can raise awareness and bring positive changes in our community!

For \$40.00 annually you have the opportunity to get involved, stay connected and help guide the strategic direction of the Autism Society of the RMWB by electing our board-level leadership at the annual general meeting. Join the growing number of families, professionals and community members that make our society.

Come and join our monthly public meeting and see what the board is all about! We are always looking for new and fresh ideas to help diversify and grow our membership! To attend a meeting email your request to autismsupport@autismrmwb.org.

Why become a member of our Society?

IN THE COMMUNITY

Danielle and Barb have been busy educating the community with our Autism 101 & Our Resources presentation. Thank you to the public and catholic schools that have had us in for various events to raise awareness on how to support neurodiverse individuals.

You can often find the Autism Society out in the community at different events. Courtney and Jib attended the career fair with Jobs Canada.

MEMBER EVENTS

Thank you to our families who joined us for our member sensory friendly movie we held on Family Day.

Thank you to those who joined us for our wellness evening of painting.

Thank
you

We are Thankful to Petro-Canada CareMakers Foundation for their continued support. It gives us the opportunity to run our Caregivers Coffee. This program gives caregivers the opportunity to come together and share stories and support.

Thank you Kinette Club of Fort McMurray for helping fund our adult programming. Your donation will help us continue to provide engaging and enriching activities for our community members.

Thank you to Chosen Breed for your continued support through your Poker Run fundraiser that helps support our summer camp.

EDUCATION INCLUSION PROGRAM

We have been able to continue the delivery of this program through funding provided by the Community Initiative Grant from the Regional Municipality of Wood Buffalo.

Thank You

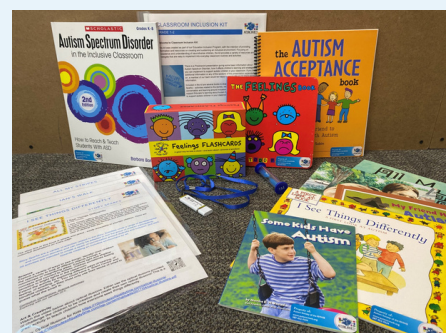

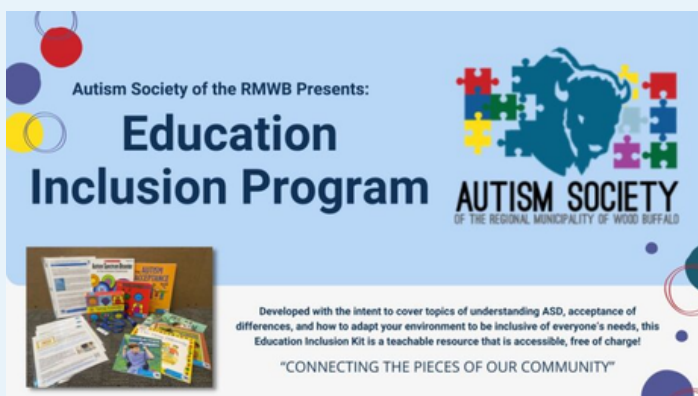

THE EDUCATION INCLUSION PROGRAM

The Education Inclusion Program, was created by the society as a lending resource that is accessible to and free of charge. It is was developed with the intention of promoting and educating others about Autism Spectrum Disorder. With a focus on acceptance and understanding, it covers topics of understanding ASD, acceptance of differences, and how to adapt your environment to be inclusive of everyone's needs. Since its conception it has grown to a library of presentations that cover a range of topics for almost any organization, service provider, business, employer and family wishing to learn more about ASD acceptance and accommodations.

Our school lending bins have been created for an intended audience of early entry to grade 6. Educators can request to borrow a bin for their class. Included in the bin is a collection of books, interactive material and an informative slideshow. We

have ensured that the bins have curriculum related material that could be substituted for items in health or language arts. Reading comprehension activities, novel study material and critical thinking activities are just some of what you will find in this resource. We have also ensured to add Leader in Me language to slideshow content. It really is a "win, win". An extensive teacher recourse guide has been created for each bin and offers ideas for activities and group projects. A teacher could use as little or as much of this program as they like. The resource can be borrowed from the society office with training provided if required or requested. A presentation to the intended audience is available by our Community Development Officer as well.

Please follow the link bellow to request a kit:

Vision

A Region where autistic Individuals and all those living with a disability, are valued and are participating members of the community. A region that recognizes that all citizens have the right to live, work and play.

Mission

We are committed to creating an inclusive community through programming, supports, and understanding for autistic individuals in our region, and all those living with a disability and their families across the lifespan.
